5.00 pm – Exclusive tour of the Wagner Room (100 m from the café) – Registration required (see registration form)

When the Wagner family arrived in Bayreuth in April 1872, they initially settled in Donndorf at the Hotel Fantaisie, right next to the palace. Richard Wagner lived there for five months in the rooms on the top floor, which later became the famous "**Wagner Room.**"

The Wagner Room, which has now been restored to its original condition thanks to a private initiative, is a living monument: authentic furniture, a preserved atmosphere, private concerts, readings, and gatherings. Recordings of these events are available on the "Wagner Room" YouTube channel.
